Career Objectives

I am an enthusiastic Junior MERN-Stack Developer with proficient knowledge. Seeking to utilise my technical skills and expertise to provide value to the employer and contribute to successful projects both today and in the future. Aiming to take on new challenges and utilise my coding and debugging skills for developing new features and enhance the overall user experience.

Key Skills

Expertise	: HTML5, CSS3, Bootstrap, Tailwind, Javascript, ES6, React, REST API, Material UI, React Based Libraries and NPM.
Comportable	: NodeJs, Express, MongoDB, Firebase, Stripe, Axios, JWT, Redux.
Familiar	: Typescript, NextJs, SASS.
Tools	: Git, Github, VS Code, Dev Tools, Netlify, Vercel, Heroku, Figma.

Projects Highlights

Doctors-Eye

Overview	: A MERN stack web-application for medical services which has different dashboards with nested routes for users and admin. Users can purchase products and can pay cost with a valid-card, users can post and update a review. Admin can manage user-role, order shipment and can also add new products. Only authority can access important APIs.
Technology used	: React, Tailwind, DaisyUI, React Query, Firebase, NodeJs, Express, MongoDB, Stripe, JSON Web Token, and some other libraries.

Training Summary

Complete Web Development

Organisation	:Programming Hero
Topic Covered	: HTML, CSS, Bootstrap, Tailwind, JavaScript, React, NodeJs, Express, MongoDB, Firebase, Git, MERN stack based libraries and so on.
Duration	:Six months (July-December, 2020)

<u>Complete Git and Github</u>

Organisation   : Amar-iSchool
Duration   :One month (December, 2021)

<u>Modern JavaScript – Learn From Scratch With Problem Solving</u>

Organisation   : Encodemy
Topic Covered   : Operator, Array, String, Function, Loop, Asynchronous JS, Class, Dom.
Duration   :Three months (October-December, 2022)

Educational Qualification

<u>B.Sc. Engineering</u>
University   : Bangladesh University of Textiles
Duration   : March, 2019- Continuing

Language Proficiency

Bangla   : Excellent
English   : Comfortable
